EXPLANATION OF CLAIM DOCUMENTS

The following information is a description of the documents we may collect from you during the processing of your insurance claim. The list below provides the document title, a description of the document, and where you would obtain the information.

Your insurance carrier will provide this to you:

Your licensed contractor who is repairing your home will provide this to you:

- **Contract:** Signed agreement between you and the contractor including an itemization of the expected materials and total cost of repairs, including labor. This must be signed and dated by both you and the contractor as well as list your property address.
- **Contractor license:** A certification indicating a contractor’s qualification to complete work in your state. This is typically issued by your local Contractor’s State License Board.
  - In the event that your state or jurisdiction does not require licensing of contractors, this may be satisfied by ensuring the contractor is bonded & insured for an amount equal to or greater than the insurance loss proceeds.
- **Liability insurance:** Insurance the contractor has secured for their business to protect against losses arising from injury or damage to another person or property.
- **W-9:** This is an IRS form completed by your contractor which provides the contractor’s Tax Identification Number.

The contractor is asked to provide a copy of the contract, their liability insurance, and license/registration.

**IMPORTANT NOTES:**

- All fully endorsed checks will be sent via Fed-ex. All Gateway issued draws are mailed via USPS.
- All structural repairs are to be completed by a licensed contractor.
  - In the event that your state or jurisdiction does not require licensing of contractors, this may be satisfied by ensuring the contractor is bonded & insured for an amount equal to or greater than the insurance loss proceeds.
- If you are completing cosmetic repairs without a contractor, paid receipts must be marked as such by the supplier.
- In the event you have retained a public adjuster, you are responsible for fees due to the public adjuster. These fees are not paid from the insurance claim proceeds unless your insurance carrier allotted funds for their fee.
- Repairs are to be completed within 90 days. **If you expect your repairs to require more than 90 days to be completed, please notify us of the date the repairs are expected to begin as well as the expected completion date.**
