What you should do:

- Focus on the safety of you and your loved ones.
- Update your contact information—especially your cell phone number and temporary address if you’ve been evacuated—log into your online account and update this in the “My Information” section.

How to work with your insurance company:

- Call your homeowner’s insurance agent or company to discuss your situation. Ask whether you should make a claim.
- If you decide to file a claim, [CLICK HERE](#) for the Property Loss Packet to assist you with your Insurance Claim.
